

Easy Piano Sticker Cut-Out (for color printer only)

Choose **one** row **A, B, C, or D** to put onto piano keys, throw rest away.

Use row **A** for very young beginners that have their own piano/keyboard.

Use row **D** for a piano that's shared with others, it can be added/removed quick.

IMPORTANT: PUT CHOSEN COLOR GUIDE AN OCTAVE ABOVE MIDDLE C

Instructions for style A

1. Choose row A, B, or C, of colored bubbles and cut them out.

2. Attach to piano keys using clear tape. (recommend placing them deeper into the keys)

Instructions for style D

1. Choose one size (**D1**= 6" or **D2**= 6.5" inch Spanning 7 keys C to B)

2. Cut out the comb shape.

3. Lay it flat on a table.

5. Fold flaps up on dotted lines.

6. Place octave above middle C.

7. The black part holding the flaps together slips behind the black keys vertically, while the flaps lay flat on the keys.
