

## Easy Piano Sticker Cut-Out (for black & white printer only)

Choose **one** style **A** or **D**, color with crayons, cut it out, put onto piano keys.

Use style **A** for very young beginners that have their own piano/keyboard.

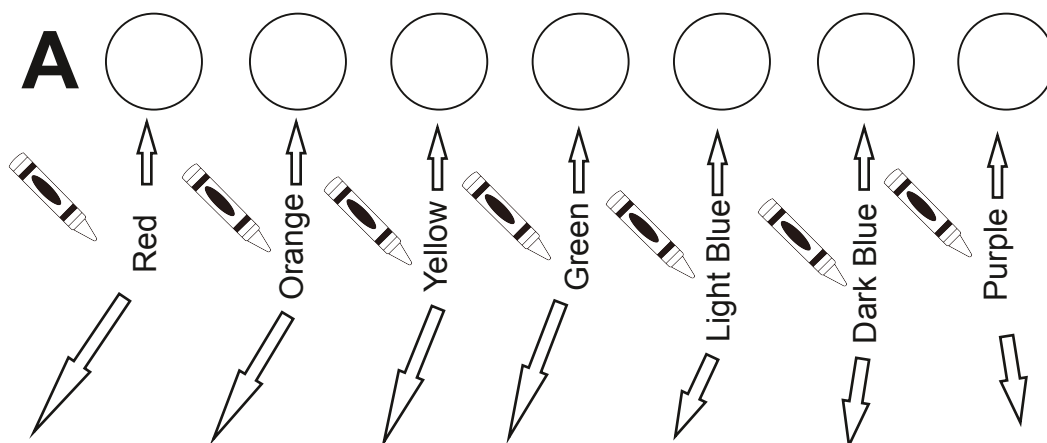

Use style **D** for a shared piano. (no tape required, quickly goes on/off as needed)

**IMPORTANT: PUT CHOSEN COLOR GUIDE AN OCTAVE ABOVE MIDDLE C**

### Instructions for style A

1. Color each circle, and cut it out.

2. Attach to piano keys using clear tape. (recommend placing them deeper into the keys)

### Instructions for style D

1. Choose one size (D1= 6" or D2= 6.5" inch Spanning 7 keys C to B)

2. Color flaps in (using crayons or markers both sides of dotted line)

3. Cut out comb shape & lay it flat on table

5. Fold flaps up on dotted lines.

6. Place octave above middle C.

7. The black part holding the flaps together slips behind the black keys vertically, while the flaps lay flat on the keys.
